

The Blue Jackets hockey school will concentrate on the fundamentals of skating, stick handling, and passing with special instruction on positional play and power skating. Young players will develop solid, fundamental skills that will build a strong foundation for their entire hockey career. Older players will focus on advanced passing, shooting, skating and stick handling skills while also working on team play and proper checking techniques. All campers will utilize the Chiller's Specialized Skills training equipment such as the Skating Treadmill and RapidShot to refine their skating and shooting.

*"I learned a lot of things, the basics like passing and shooting. We also learned about some nutrition. It was a really great hockey school and I had a lot of fun!"*

» Matthew Wilder, Previous CBJHS Camper

## » July 21<sup>st</sup> - 25<sup>th</sup>

All camps at Chiller North

### SQUIRT CAMP

## » Coaches

The Columbus Blue Jackets Summer Hockey School is able to offer the highest quality training and instruction to its participants by providing a coaching staff unlike any other in youth hockey. These coaches will ensure students receive access to a wealth of professional hockey playing and coaching experience, while also stressing self-discipline, sportsmanship and respect for the game and fellow players. The camp curriculum offers players of every age and skill level the best value and experience in a positive learning environment.
