

WELCOME TO CAMP CHILLER!

Dear Camp Chiller Parent,

Welcome to Camp Chiller! We are excited to have your child be a part of Central Ohio's one and only "ice camp." During the week, your child will learn many different aspects of an ice rink, including figure skating, hockey, Olympic winter sports and the ice itself – how we make it and maintain it. We will have special activities and possibly some guest speakers as well to round out our week. Our counselors have many years of experience working with children and are also skating instructors in our Basic Skills "Learn to Skate" lessons offered at our rinks.

The camp day will run from 9:30am-2:30pm with skating taking place from 9:30-10:30am every day. Please bring your camper to the rink dressed for skating and have them ready, with skates on, to begin at 9:30am. When ice is available, we extend the skating time as much as possible. In addition, we also try to schedule an afternoon ice time for the campers at 1:30pm. While this isn't feasible every day of the week due to other regular programming, we make it a huge priority to ensure each camper gets as much ice time as we can offer.

Check-in will begin at 9:15am each morning, and pick up is at 2:30pm. A \$10 fee will be assessed if you are more than 15 minutes late for pickup.

TO DO BEFORE CAMP: Please download the [Camper Information Sheet \(PDF\)](#). You will need to print and have this completed prior to check-in on Monday morning. Also, if you wish to purchase lunches, [order your child's lunches online](#) or download and print a paper [Lunch Order Form \(PDF\)](#) and bring completed to the first day of camp. This will help to expedite the check-in process.

LUNCH: You will need to either pack a lunch for your camper or order from our selections. If you are ordering a lunch, please make sure to have your lunch order form completely filled out on Monday morning for check-in along with lunch payment. You can also [prepay online with a credit card](#).

A few items your camper will need to have at Camp Chiller...

SHOES: Every camper should wear tennis shoes. We do activities that include running, jumping, noodle hockey, etc. and it is safer to be wearing tennis shoes.

SKATING CLOTHES: Warm clothes for skating. Including long pants, sweatshirt or jacket, gloves and socks. We do not have time to change campers' clothing after skating, so please wear your general clothing under your skating clothes.

SKATES: Rental skates and helmets are provided at no additional charge. However, if your child has their own skates or helmet, you are welcome to bring them.

GENERAL CLOTHING: Please remember that Camp Chiller is in an ice rink and some of the activities we do will be in colder areas of the building, so remember to bring a jacket.

PLEASE...: Have your camper use the restroom when they get to the rink in the morning. It saves us time for more fun things!

For liability reasons, if parents or guests choose to stay at the rink for the duration of camp, we ask that you wait in the rink lobby, not in the camp room.

If you have any questions or concerns, please contact Pam at pmorlan@thechiller.com.
