

Our first rehearsal is THIS Sunday November 6<sup>th</sup> at **OhioHealth Chiller North** ice rink.

8144 Highfield Drive  
 Lewis Center, Ohio 43035  
 Phone: 740-549-0009

Please see the chart below for groups and rehearsal times. We have added an “off-ice” practice before we actually take the ice so the skaters can learn the routine on land. It makes for a much smoother practice once we take the ice. Please keep in mind that the groups may add skaters between now and Sunday’s practice due to late sign ups.

\*Once we see the groups we may also make changes if needed.

Costume information will be sent out early next week via email. The choreographers usually need to see the group before deciding on costumes.

*Want to give your skater flowers at the Holiday Show? Skate It Forward can help with that! Skate It Forward will be selling Carnation Bouquets for \$5. Please see the Flower Table at the first rehearsal to place your order. Payment will be due at time of order. All profits will go to Skate It Forward, a charitable initiative benefitting Ronald McDonald House-- created by The Skating Club of Central Ohio, along with skaters and coaches to fulfill a desire within our skating community to provide support for those in need.*
